

PRODUCT LIST

Please list all products that you plan to sell at the Middleburg Community Farmers Market. Refer to the rules and regulations for accepted products. If you process food items, you will need to request a Kitchen Inspection Report completed by the Virginia Department of Agriculture and Consumer Services, 804-786-3520. Please remember to list all products – if you don't list, you don't sell.

List all crops grown and provide supporting information; use extra sheet if necessary.
